

# OPERATION OLIVER

## Oliver needs your help!

**Oliver is now homeless and in need of an operation to remove a large mass from one of his kidneys. The operation will hopefully give Oliver many more years of quality life.**

This delightful 11 year old chap has had his whole world turned upside down. Oliver's beloved elderly owner has gone into a Nursing Home and is no longer able to care for him.

Oliver is staying at Gyrn Cottage Cattery until a new home can be found for him. Sam Davis who runs the Cattery is determined to raise the £315 needed to pay for Oliver's operation.

Sam has decided to hold a raffle. The prize will be 2 WEEKS FREE BOARD at the luxury GYRN COTTAGE CATTERY. The pen is a double pen so 2 cats from the same family can share this great prize. Bonus!

Tickets are £5 each and you can buy as many as you like. If you don't have a cat buy one for your friend who does have one. Why not give a Rescue Cat a home and maybe win 2 weeks free board for him / her???\*!!

Buy a ticket, save a life and hopefully win a great prize!
